

# NOTICE FROM MAREMONT ASBESTOS PERSONAL INJURY TRUST

**JULY 13, 2020**

In recognition of the continuing hardships resulting from the current COVID-19 pandemic, the Maremont Asbestos Personal Injury Trust (the "Trust") extends the policies adopted March 27, 2020, as follows:

The Trust temporarily suspends any requirement that a document submitted to the Trust be notarized. Documents may be submitted to the Trust without notarization as provided below.

Documents provided without notarization must contain unsworn declaration under penalty of perjury language. See 28 USC Section 1746. The declaration should include language substantially similar to the following:

"I declare (or certify, verify, or state) under penalty of perjury under the laws of the United States of America that the foregoing is true and correct."

Provided the claimant's law firm has entered an electronic filer agreement with the Trust and MFR Claims Processing Inc. ("MFR"), the Trust will accept documents signed by DocuSign or by another commercially reasonable e-signature program. Claimants' law firms should coordinate submission of documents signed by DocuSign or by another commercially reasonable e-signature program with MFR.

Deadlines imposed by the Maremont Asbestos Personal Injury Trust Distribution Procedures, Trust policy or procedures were tolled for 120 days from March 23, 2020, subject to further extension by notice from the Trust. The 120 days ends July 21, 2020. The Trust extends the tolling deadlines to November 18, 2020. The Trust will assess whether to extend the tolled time period before November 18, 2020.

These provisions will apply until further notice from the Trust. The Trust may prospectively revert to its prior policies and may subsequently require that the original signatures be obtained for documents submitted with electronic signatures.
